Auditorium Seating

Our auditorium seating products are specially-designed to offer a brand new look, ambience and feel to your venue, with an attractive and uniform appearance providing unparalleled value to your business.

Hampton CS

Hampton is offered with an elegant design, ultra-comfortable molded foam and a functional writing tablet. It can be fitted with an optional customised arm to provide a built-in simultaneous interpretation facility or audio facility as the right fit for high-end multi-purpose venues.

Layton CS

Layton is designed specifically to meet the high standards required by the most prestigious assembly spaces. With ultra-thick molded cushion in high density that is shaped around, your patrons get plenty of support and comfort during performing or presentation.

LS-620GT-CS

Features & Finishes

- Plywood outerback and seat panel with melamine finish
- Molded foam cushion
- Spring-damper tip-up seat mechanism
- Painted solid wood armrest
- Powder coated steel leg

Options

- Molded foam cushion
- Spring-damper tip-up seat mechanism
- Painted solid wood armrest
- Powder coated steel leg

Options

- Plastic writing tablet
- Aluminum seat number/row letter plate

LS-9612E-CS

Cinema Theatre Seating

From the moment we developed our very first cinema chair, we've committed a force of resources to creating a collection of seating that not only provides complete comfort for patrons, but that also offers all that you, as a venue manager, need. This includes ease of maintenance, ease of cleaning and cost-effectiveness – both now and in the future. Today, we're proud to present a range that includes full-rockers, fixed backs and VIP recliners.

Emblem CS

Combining an elevated distinctive lounge back and a sumptuous headrest, EMBLEM allows your patrons to enjoy a completely homelike theatre-level experience.

Tennessee CS

TENNESSEE offers an upgraded flip-up arm design and headrest for better head support.

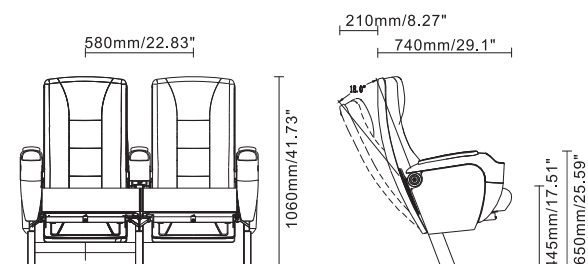

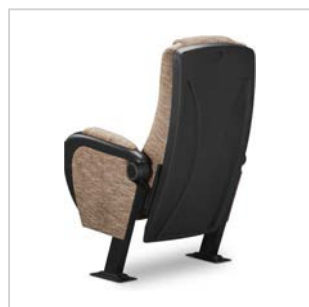

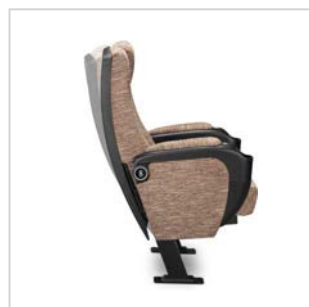

LS-15606-CS
